Paying in Full

Your membership will start from the date of your first payment and will continue for one year. If paying in full and your child turns two during the year of membership, no charge will be made until renewal. Similarly, if your child turns 4 we will not amend the annual fee until renewal. You are committing for 12 months and refunds cannot be applied.

Direct Debit Terms and Conditions

The first payment will be taken by credit card and you will receive an email with a link to set up your direct debit where subsequent payments will be taken.

Direct debits allow you to spread the membership cost over a period of 12 months. As payments are made in arrears, each term is one full calendar year. Each new membership or renewal is for a contracted term of 12 months.

In the event you subsequently decide not to complete the direct debit authorisation and have already used the Park facilities, the regular entry fee, less your initial direct debit payment will be due for payment. If we cannot take your direct debit when due, the balance between normal entry and the initial payment due will be deducted from the credit card supplied on your initial application, and the account closed.

If paying by direct debit and your child is under 2 or listed as a toddler, your direct debit will be amended after their 2nd or 4th birthday when a charge will become liable or they move into a different pay structure. If paying in full, no additional charge will be made until renewal.

In the event that a direct debit fails due to insufficient funds you will be advised automatically by Gocardless. Please contact us and we are happy to try the payment again. In the event we are unable to contact you by email and/or the second attempt also fails, we regret we cannot continue the membership and the regular entry fee, less direct debit payments will be due for payment.

The Direct Debit Guarantee

- This Guarantee is offered by all banks and building societies that accept instructions to pay direct debits.
- If there are any changes to the amount, date or frequency of your direct debit La Hougue Farms (1975) Limited will notify you 5 working days in advance of your account being debited or as otherwise agreed. If you request La Hougue Farms (1975) Limited to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your direct debit, by La Hougue Farms (1975) Limited or your bank or building society you are entitled to a full and immediate refund of the amount paid from your bank or building society – If you receive a refund you are not entitled to, you must repay/return the payment.
- You can cancel a direct debit at any time by simply contacting your bank or building society, however membership direct debits are for a period of 12 months and you will remain liable for the balance which will be required in full. Please notify us in writing.

We would respectfully like to remind membership holders that the park is unsupervised and parents need to remain with children at all times to ensure their safety.

Memberships are valid for a minimum of one year from receipt of your application or renewal date. They cannot be used for part of the year only so please consider this before taking out a membership, or renewing. In special circumstances we can apply a three month notice period for memberships that are older than 18 months if you wish to cancel outside the renewal date. We can add a new family member at any time. Please contact the office for details.

Most additional events will be free for members but some events will be available at a discounted member rate. These may be outside normal working hours, organised by a third party or be of extra value.

If a non-member is accompanying a member, they will need to pay normal entry fees and cannot take the place of another existing member. Memberships are non-transferable. Please ensure they have your membership card with them. Cards will be detained if a fraud is detected by our staff and this will invalidate the membership without recourse or refund. It is your responsibility to ensure that anyone who has possession of your card uses it in the proper manner.

Wristbands must be worn on the wrist at all times. Your band entitles you to discounted products. For toddlers aged 2 and 3 years, it ensures we can monitor their safety on certain activities. If you have an allergy that prevents you from wearing a wristband please contact the office so we can find an alternative solution for you.

Discounts will only be given if your band is CLEARLY visible before purchase has been completed and no retrospective discounts can be given.
